

Greek Aromatic Herbs & Botanicals

WHOLESALE & EXPORT

Line-Sheet 2026

From the village of Vevi, high in the mountains of Florina, VEVI curates and standardises the most aromatic plants Greece has to offer — through a network of certified Greek growers across Florina and Kozani.

Why importers choose VEVI

VEVI is a Greek family producer of premium herbs, aromatic plants and botanical infusions. We control quality from field to jar: sourcing from certified Greek growers in the highlands of Western Macedonia, then cleaning, standardising and packing to export specification under internationally recognised food-safety systems.
